

LEA GLEnet Tips

... for participants in Lutheran Education Association's
Global Lutheran Educators Network

December 13, 2019

Network leadership teams phase out; network task forces phase in. Network leadership teams served for many years as advisors and workers for respective listservs, vetting nominees for awards, helping with the convocation, and the like. LEA is grateful for their service, which was tied to 3-year terms. Various task forces will replace leadership teams and they will focus on completing a project or initiative within a specified time frame. For example, vetting nominees for the 2020 awards will be completed in two weeks' time by the 2020 Awards Selection Task Force, composed of participants in EncourAGEnet. Several task forces are in planning stages for special projects identified with specific network interest areas.
