Interesting approach... [Some Science Behind Sin](#) (Drew Rick-Miller in *Science for the Church*).

Read through the Bible (again?)... Walter Wangerin, Jr.'s [The Book of God](#) isn't new, but it remains a fresh retelling of the Bible, reading much like a novel. Even if you've already read the Bible several times—or wanted to—you'll have a hard time putting this book down. (This is the editor's opinion—not a paid ad.)

Some fun... [7 Socially Distanced Activities for Seniors](#) (*S&S Blog*).

EncourAGEnet Bulletin will start its vacation next week. Look for the next issue on August 6—unless we have some breaking news before that. I will include EncourAGEnet subscribers to the mailing list of weekly devotions. **If you are an LEA member, you will receive two copies of the emailed devotions.** This will occur until we're back to a normal schedule in August.

LEA does not endorse articles cited in Tips of the Week; links are provided to connect members with information they might find useful.
